

# Midland School District Parent and Family Engagement Plan

## 2025-26

Midland School District implements many strategies and activities to support our partnerships with parents, families and the community. The superintendent, administrators, teachers, staff and parents meet to discuss the Family Engagement District Plan and the District Improvement Plan. The administrators of the high school and elementary meet with teachers, staff and parents to discuss the school family engagement plan and the school improvement plan for each school.

The District Family Engagement Coordinator, Parent Facilitator and ESL Coordinator will work cooperatively with parent groups to solicit parental input during the development and implementation of the Family Engagement Plan. Information regarding scheduled meetings will be put on the announcements that go out to families, newsletters, website E-Notes notification center and Social Media to ensure adequate representation of parents and families of children in the Midland School District.
